*Programme of December 7 2012
at the Committee of the Regions
in the presence of elected members of COTER*

We are happy to invite you to join us at the Committee of the Regions on December 7th and celebrate with us 3 events:

Committee of the Regions

Jacques Delors Building
Rue Belliard 101
B-1040 Bruxelles

- Exhibition
- Young Planners Workshop
- Presentation of the book on the first centenary of Spatial Planning

9th European Urban and Regional Planning Awards

Proclamation of the results

As from now on, the Awards will be celebrated in collaboration with the Committee of the Regions. This year, the Awards will be enhanced by the presence of Mr Wozniak, President of the COTER, as well as of Mr Hutchinson, representing the Committee of the Regions in our Jury:

- presentation of the winners and prize handover;
- exhibition of the projects at the Atrium 5 and exchanges with the COTER members;
- presentation of the winning projects more detail during the afternoon.

Young Planners Workshop

Several teams of young planners conducted a parallel work on territorial cohesion for the regions of Dublin, London, Oslo, Lille and Zaragoza.

They will present and cross examine their work to highlight the methodological contributions to issues in different situations in different regions.

The book of the first centenary of Spatial Planning

ECTP-CEU invited 25 amongst the most renowned planners of Europe to write an article highlighting the perspective of the first centenary of planners and planning issues for the future.

The book will be presented by João Teixeira, Vice President and coordinator of the project. Professor Louis Albrechts, one of the authors, will take the opportunity to give a lecture.
