Call for Papers

Urban Research & Practice, published in association with **EURA** (European Urban Research Association) will focus on urban policy. The journal welcomes submissions that:

- provide a systematic description of urban issues, urban developments, urban policies or urban policy-making and policy implementations
- seek to explain variations in urban policies or urban governance cross-sectorally or cross-nationally or that seek to explain such variations over time
- analyse and/or evaluate the effects of urban policies or process of urban governance
- analyse European-wide factors that impact on urban areas, urban policies and urban governance.

As well as traditional academic papers, the journal will include a policy section, a project report section and book reviews.
